

## Take part in simulated DUI experience

05/10/2007

Submarine Group 2 and SUBASE (*US Navy, in Groton, Connecticut.*) will host an interactive computerized DUI simulator May 22-24, in the Morton Hall gymnasium, Building 169, from 8 a.m. to 4 p.m., as part of the **Save a Life tour** and in conjunction with a Health and Safety Fair.

This powerful interactive tool of alcohol awareness, allows participants to truly understand and experience, in a true to life, 5 to 10 minute scenario, what it is like to drive under the influence and the consequences of that choice.

Maximum participation is highly encouraged. The simulator and fair are a great training opportunity for commands' to enhance awareness of operational risk management, alcohol awareness, and safety during the upcoming holiday weekend and summer season.

SUBSCOL departments are scheduled head of the line from 8 a.m. to 4 p.m., May 22. Departments contact the SUBSCOL Command DAPA to schedule time blocks.

To ensure head of the line for May 23-24, all other commands should contact ETC McCloud at 694-1432 or [james.mccloud@navy.mil](mailto:james.mccloud@navy.mil) or RPC Johnson at 694-3232 or [dexter.johnson@navy.mil](mailto:dexter.johnson@navy.mil). All other participants will be accommodated on a first come, first serve basis.

In addition, Connecticut state troopers will have their seat belt convincer simulator outside the gymnasium. May 22.
